08/2015 - 06/2016

Washington, DC

### Child Caregiver

Baptiste Family

I worked part time for a client who had five boys, the oldest of which was six.

Responsibilities

- Transformed chaos into a positive and productive learning environment.
- Appropriately balanced rules and safety with the a child's need to explore and learn from his experiences.
- Formed a steady schedule to maintain an organized and structured environment.
- Cared for the children while the parents were away.
- Accompanied and transported children to and from activities.

Contact: Katie Baptiste - (202) 361-0798

08/2013 - 08/2015

Southampton, Masssachusetts

### Live-in Caregiver

Parker Family

I lived with the client, a 49 year old man with minor brain damage, and his 9 year old daughter.

Responsibilities

- Successfully learned to quickly and creatively work with and solve problems for a client while they were under extreme mental distress.
- Monitored mental health and helped the client work through mental breakdowns, panic attacks, and major depressive episodes.
- Supervised and planned activities and schedules for both the client and daughter.
- Acted as the daughter's nanny, tutor, and chauffeur.
- Prepared dinner for the family and packed lunches for the daughter.

Contact: Cheryl Parker Esq - (413) 527-8660
